

## Manufacturing Certification Statement

Headquartered at 250 Staunton Turnpike, Parkersburg, WV 26104, Wincore Window Company, LLC. proudly manufactures Exterior Windows and Doors which meet or exceed the requirements of the ENERGY STAR Program. Thermal performance metrics such as U-Factor and Solar Heat Gain Coefficient (SHGC) are certified by the National Fenestration Rating Council (NFRC) and are clearly communicated via the NFRC Label affixed to each product.

Windows & Doors that meet the eligibility requirements of the American Taxpayer Relief Act of 2013 may qualify for designated tax credits. To qualify, windows must have been installed in your principal residence between January 1, 2023 and December 31, 2032.

For improvements installed in 2022 or earlier: Use [previous versions of Form 5695](#).

- **Exterior windows and skylights** that meet Energy Star Most Efficient certification requirements
- **Exterior doors** that meet applicable Energy Star requirements.

To be eligible for the tax credit, you must have:

- Purchased and Installed qualified windows and/or doors in your primary residence
  - Primary residence must be an existing home
  - Filed IRS Tax Form 5695, visit [www.irs.gov](http://www.irs.gov) for current document
  - **Exterior windows and skylights** that meet Energy Star Most Efficient certification requirements
  - **Exterior doors** that meet applicable Energy Star requirements.
- Provided receipts for Qualified Windows and/or Doors
- Provided Manufacturing Certification Statement

For more information on Tax Credit criteria, please visit:

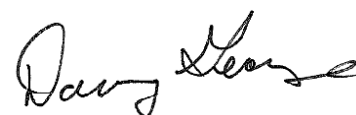

[https://www.energystar.gov/about/federal\\_tax\\_credits/windows\\_skylights](https://www.energystar.gov/about/federal_tax_credits/windows_skylights)

The homeowner should retain all documentation pertaining to the installation of the units to include receipts, performance documentation and this manufacturing certification statement in order to validate any applicable tax credits.

This document does not assure that a homeowner will qualify for a tax credit only that Wincore Window Company offers Energy Star rated products.

Under penalties of perjury, I declare that I have examined this manufacturing statement, and to the best of my knowledge and belief, all facts are true, correct, and complete.
